

Botanical Roots - Botany Workshop for Botanical Artists

Saturday 6th May 2017 from 10.00am to 4.00pm

Venue: The Art Room, Queen Margaret University, QMU Drive, Musselburgh, Edinburgh EH21 6UU - just beside the Musselburgh rail station

Tutors: Anne Carlaw and Aileen Friis-Jorgensen. Both tutors have many years experience of teaching biology, are keen gardeners and botanical artists exhibiting regularly with the SSBA.

Cost: Member £30 Non Member £40. Cost includes handouts to accompany each of the topics below. We need a minimum of 10 people to make this workshop viable - so please apply soon!

The workshop aims to explore and explain the following:

- Simple classification
- What are Monocots and Dicots?
- Monocots and Dicot seed dissections
- Basic root types
- Stems
- Simple and compound leaves
- Leaf attachment to stem
- Basic flower structure
- Basic flower dissection
- Comprehensive handouts will be provided

What to bring: A PACKED LUNCH AND SOMETHING TO DRINK. Tea/coffee will be provided. Notepad, pen, pencil, magnifying lens and magnifying glass, plain paper for drawing diagrams. If you have an iPad or tablet with a camera please bring it with you, as there is an App called 'Magnifying Glass With Light - digital magnifier with flashlight' that may be useful.

If you have specific dietary requirements or need more information please contact Anne Carlaw annecarlaw6@gmail.com

Please return the BOOKING FORM below by the 7th April
